ABOUT VGA EUREGIO

Why choose us

We are a multidisciplinary law firm with a focus on national and international entrepreneurs and with offices in Hasselt and Brussels. Our team consists of lawyers, tax advisors, and legal assistants.

We provide legal and tax advice to Belgian and foreign companies, from SMEs to multinationals, and we also assist our clients in the context of tax and legal proceedings. We mainly work in a B2B context and are active in corporate, commercial, employment and tax law, as well as data protection and technology.

What sets us apart from other firms is our specialist knowledge of business law in the broadest sense, our multidisciplinary approach and our affinity with international business. As a result, we advise not only Belgian companies, but also many foreign companies active in Belgium and we deal with interesting legal issues on a daily basis. In addition, our multidisciplinary approach ensures that we can fully unburden companies, in terms of legal and tax matters, but also with regard to their financial and accounting needs.

We have a flat hierarchy where everyone contributes and is trusted. We consult with each other frequently and hold regular team meetings to share knowledge and experience.

In addition to competitive compensation and effective career opportunities, we offer a fun working environment with a good work-life balance, in which we laugh a lot together, but also work seriously on projects as a team.
